VOLUME 6

January 1964 — October 1964

28 MAR 1966

Indonesian Abstracts is published quarterly by the Council for Sciences of Indonesia in the months of January, April, July and October. The purpose of this periodical is to provide abstracts of current scientific Indonesian literature covering articles in the field of all the sciences.

The views expressed in the articles abstracted are those of the individual authors and are not to be taken as representing the views of the Council.

Indonesian Abstracts is distributed to domestic and foreign institutions and scientific bodies on an exchange basis and to individuals directly associated with the Council free of charge. The periodical is also available to others at the rate of Rp. 100,— a year or Rp. 25,— per copy and to students for Rp. 40,— a year or Rp. 10,— per copy.

Comments and suggestions from the readers are welcomed.
All correspondence should be addressed to:
